

Partners® OnSite

Annual Accreditation Maintenance Service

How can you maintain the momentum needed for success AFTER a Partners® Project is completed?

You asked for it and we have responded!
Now available ONLY to loyal consulting clients...

Partners® OnSite

Annual Accreditation Maintenance Service

This service will keep you on track and accountable to maintaining the progress we've made together and further the goals that were established when we last worked side-by-side.

Partners® OnSite consists of three features:

- 1 Annual visit to your institution
- 2 Pre-visit assessment and planning call
- 3 Follow-up progress and next steps report

What will we do together once Partners® is on-site?

It depends on the status of your goals, your current needs within the accreditation cycle and any new happenings that need attention.

Here are a few ideas of how clients use Partners® OnSite:

- Conduct the required Annual Program Review
- Revise policies
- Update curriculum
- Conduct faculty development sessions
- YOU decide!

- ✓ Ensure ongoing progress on your most important goals.
- ✓ Provide an opportunity for annual check-in with key GME team members.
- ✓ Guarantee that you address ACGME-required annual tasks.

Benefits:

- Lock in current consulting rates for future work.
- Book dates early, before your consultant's schedule fills.
- Plan ahead and stay accountable to your goals and future success.

Cost: Partners® OnSite Packages start at \$7,500.

Interested? Contact your consultant or your Client Liaison. They will put together a package that will address your needs and show you the savings of planning early for future needs.
