Here are our Top 10 “tongue-in-cheek” reasons to join us for the “Ask Partners”™ Telecourse...

#1 – You can’t attend the Texas ACGME conference in February because you’ve been caught before in an ice storm in North Texas in February.

#2 – You can read the requirements! Now you want to know what to *DO* about them.

#3 – You can’t attend the ACGME conference in February because you’re already Tahiti-bound that week.

#4 – You’d like to get a GME expert’s interpretation of the presentations at the conference.

#5 – You attended the ACGME conference last year, but ended up at the Canyon Ranch Spa instead.

#6 – You’ll be too busy preparing for the March Match and would prefer to get the *Cliff Notes* version of the conference by phone.

#7 – Two women on one phone call always make for good fun.

#8 – The hospital cafeteria food is never good on Thursdays.

#9 – You always get such great information and insight from a Partners™ Telecourse that you can’t imagine going to the conference and NOT getting the real insider’s scoop from Partners’ consultants afterwards.

#10 – You’ve already committed your travel monies to other conferences and there are no more cookies left in the cookie jar.
